Rates Effective August 18th, 2025

Beginning August 18th, we will begin servicing Greybull, Basin, Worland, and Red Lodge. With our continued expansion we have accrued additional expenses that are now reflected into the new rates. We strive to continue providing exceptional service and low rates to Northern Wyoming and Eastern Montana. We would also like to thank all our customers for their continued support. What once started as a small two-truck company between friends has grown into a twelve-truck company with many new relationships. We wouldn't be here without our customers and are forever grateful, thank you.
