Emergency Price Increase Due To Rapidly Rising Fuel Cost.

Due to the increase in fuel cost, we must raise our rates yet again to keep our operations running smoothly and effectively. This rate increase will begin next Monday, April 13th, 2026.

To provide some relief where we can, we will be adding a 1-pound small parcel rate starting next week. We truly apologize for this sudden increase and hope you can understand the struggle we're all facing. We appreciate your continued support and are grateful for your business!
